NEW HAMPSHIRE LIQUOR COMMISSION ANNOUNCES SHORT-TERM WAREHOUSE & TRANSPORTATION CONTRACTS

Law Warehouses, Inc. & Law Motor Freight, Inc. will provide services through October 2013

CONCORD, NH – Following a long period of analysis and negotiation, the New Hampshire Liquor Commission (NHLC) has announced it entered into short-term warehouse and transportation contracts with Law Warehouses, Inc. and Law Motor Freight, Inc. The contracts go into effect on May 1, 2012 and run through October 13, 2013. The NHLC will issue a long-term warehouse request for proposal (RFP) on or about February 29, 2012.

"The short-term contracts with Law Warehouses and Law Motor Freight will ensure that the same high quality service continues at the end of our current agreement," explained Joseph Mollica, New Hampshire Liquor Commission Chairman. "We expect that a long-term warehouse contract will result in significant savings for both the New Hampshire Liquor Commission and our business partners."

The NHLC advertised for short-term warehouse and transportation services to potential bidders on May 20, 2011 and also sent RFPs to known service providers. Proposals were submitted to the NHLC on July 7, 2011 and evaluated. The Attorney General's office approved contracts for Law Warehouses and Law Motor Freight on February 9, 2012.

Located in Nashua, Law Warehouses and Law Motor Freight are experienced in the management and execution of approximately 65 distinct regional and national distribution programs. The organizations have served as a distribution and transportation center for NHLC for more than 25 years. Their unique delivery program gives New Hampshire's grocers, restaurants, and New Hampshire Liquor & Wine Outlets outstanding service and consistent on-time delivery.
